THE NEW YORK FURNITURE CO.

A QUESTION OF VERACITY.

bouse on 14th st. advertises that

"Genuine Jacger Underwear can be purchased from Le Boutsiler Brothers, 14th st. at prices rauging from 20 per cent. to 40 per cent. less than it can be obtained elsewhere." This makes the question of verscity interesting the public, since it brings it home to their healt

Both these statements cannot be true.

The Jacger Co. back their statement with the The Jacger Co. back their statement with the following extract from a certificate of Dr. Jacger, the originator of the Jacger goods:

"I have assigned to Dr. Jacger's Sanitary Woodlen System Company, " " away York, the sole right in the United States and Territories, of the use of my name, " patents, trace-marks. &c., and the sole right to sole in the United States and Territories at articles of United States and Territories at articles of Uniting Bedding, &c., in consection with my Sanitary Woollen System, and stamped with the trade-marks," (signed) PROF. DR. G. JAFGER. LOW PRICES.

The only thing we have seen offered in support of the counter-statement, is a kind of voucher for the "reputation" of that house on lith st. by a dealer whose goods have been sold by that house. on litts at., for "pure wool," and "genuine das ger underwear," which goods, upon analysis

The public can "compare" the "facts" and DR. JAEGER'S MANITARY WOOLLES
